# Monika Riedel

Monika has been a Mentor Teacher at Mountain Oaks School since 1999. She retired in June after teaching at Mountain Oaks for 23 years. She homeschooled all 3 of her children at one time or another while teaching. Monika taught several tech workshops and helped with many field trips through the years, as well as being one of the lead teachers in charge of our ski trips. Retirement for Monika means having time to live her life full of adventures. She loves hiking, long-distance bike riding, attending music festivals, and spending time with her family. Monika's dedication, creativity, and sense of humor will be missed by families and co-workers alike. We will miss her and wish her the best of luck in her new life!

# Jeannie Cooper

Jeannie came to us in 2008 after teaching for 24 years. We were very lucky to get her. She rose up to be a lead teacher at the Lone site. She taught many workshops over the years and specialized in helping students feel and be successful in school, even if they came to Mountain Oaks thinking they would never succeed. After teaching for 38 years, at the blessed age of 81, it is her time to retire and enjoy life outside of school. We will miss her and wish her well.

# Connie Hale

Connie has been the Mountain Oaks School psychologist since ??? We have been very lucky to have her work with our students. Connie is retiring and plans on spending time with her husband .

# Bill Redford

Bill came to Mountain Oaks in 2019 and was the first administrator from outside Mountain Oaks. Though he was with us just a few short years, he did a lot of good things for the school. He allowed us to branch out and try new things. He believed in the staff and wanted to give us as much leeway as possible to do what we think will benefit the school. Bill has moved on and will be working at Calaveras County Office of Education.

# Rhianna Tofanelli

Rhianna started off as a mom of 3 Mountain Oaks students. She helped our athletic department with all of our fundraisers and sports. She went to college and got her teaching credential while homeschooling her 3 kids. Rhianna taught for 4 years at Mountain Oaks and has left for another teaching position. We will miss her and wish her the best in her new job!

# Christopher Tribble

Christopher,  
We fell in love with you the first time we laid eyes on you. You are an amazing and handsome son who is sweet, kind, and caring. We are amazed at how much you have grown over the years, and are in awe of you.

We remember how when you were little you would ask so many questions and be in the middle of everything trying to figure out how things worked. You have learned so much in life by those same questions. We are so proud of all your accomplishments, taking on extra classes so you could graduate early, getting a job, and so much more.

Now it is time for you to start a new chapter in your life. Whether you decide to go to school, work, or move away from the area, we will always be a part of your life. We pray you have joy and happiness throughout your life. Follow where your heart leads! Above all else, guard your heart, for everything you do flows from it. Proverbs 4:2

We love you forever,  
Mom, Dad and Madison

To Our Sweet Grandson,  
Christopher,

Congratulations on your high school graduation! We are so proud of you for finishing school, getting your driver's license, and getting a job. We remember that little boy who had so many questions! Hope you never lose your sense of curiosity. The future is yours. Choose a happy life.

Love,  
Grandma & Granddad

Once upon a time... a handsome prince blessed our lives. The day fondly referred to as "Gotcha Day" October 7, 2005, also our wedding anniversary. Making you the best gift one could wish for (Along with your sister the princess of course).

You were so young, little and sweet. Very curious and smart, always questioning the reasons why and how things work. You were our little ninja, so quiet and quick. And now our little prince has grown into a fine young man ready for the next chapter in his life.

We cherish all the memories along the way and wish for your future to be filled with adventures, family, love and lots of laughter. May you reach your goals and realize your dreams.

Congratulations Chris! We are so proud of you! Now go out and show the World (or at least our little piece of it) just how special you are!!!

With love always,  
Uncle Clyde and Aunt Nancy

I remember the day you came home to us. We were so excited to have you as part of our family. Papa and I used to watch you when you were little, and it was such a job. I loved how you would sit on the counter and eat my chicken soup, even though you didn't like to eat things with lumps in it. You love my soup! I remember how you would sit on Papa's lap and pull the hair on his chest, ears, and nose (not his head, he didn't have much there). Or how you were a fountain of endless questions. Do you remember when Papa turned it back on you and asked why the sky was blue? You responded, "that's how God made it." Such a bright little guy.

Now it's time to see what the future holds for you!

Love you,  
Grandma

Dear Christopher,  
I would like to take this opportunity to congratulate you on your graduation from high school. Follow your heart and dreams when finding your way through life. May you find job and happiness in whatever you choose to do. I wish you the best.  
With much love,  
Aunt Connie

Here we are celebrating you in the 1025 Seal of 2022 a whole year early, this does not surprise us one bit! As you stand here on the steps of adulthood and your future, there is no doubt in our minds and hearts that you will continue to surprise us with your wild ideas and adventures that undoubtably will lead to success. Whatever path you decide to take will be beaten down and conquered by your drive and ambition. We can't wait to see what this life has in store for you little lady! Just being your family makes us all so proud and there is always something we have to brag about with your, from your tagged out duck hunts, to your trophy deers, being able to out skin your father, and your incredible work ethic,; the list goes on and on. Watching you grow up to become this fierce woman you have become has been so fun, exciting, scary and worrisome at times, but lately it's been pretty delicious as your hunting improves. We are so proud of you daughter. We all love you and you will always be our "Smiley Miale"....We know that no matter the situation you are in ~ that smile will brighten the moment! Keep smiling, keep shining and never lose that drive that has gotten you this far!!!!

*Dearest Victoria Isabel Malagon,  
Our precious sweet girl, where has time gone?  
It seems like just yesterday you were barely  
graduating from preschool and eager to start  
reading, writing and ready to discover the many  
adventures that were on the horizon. Fast  
forward to 2022 and here you are all grown up  
and your fire is a blaze to accomplish all that  
your soul is set to do. We are beyond proud of  
you sweet girl. Our hearts rejoice of the young  
lady you have blossomed into. This is just the  
beginning precious daughter, the best is yet to  
come. Be brave, courageous hungry for  
knowledge and may your kindness shine upon  
everything you do, say, and touch, but most  
importantly do not forget your creator, your  
loving God Jehovah. He will never abandon  
you. He will give you strength and he will make  
you strong to accomplish all that you set your

# Winter Craft Day

We spent the day doing fun crafts, eating lunch together and playing a wonderful game of volleyball that everyone was encouraged to participate in.

# Spring

We had crafts, games and over 1,000 candy filled eggs for the kids to gather. Definitely, a fun day for everyone.

**HALLOWEEN  
PARADE**

# Garden Stones

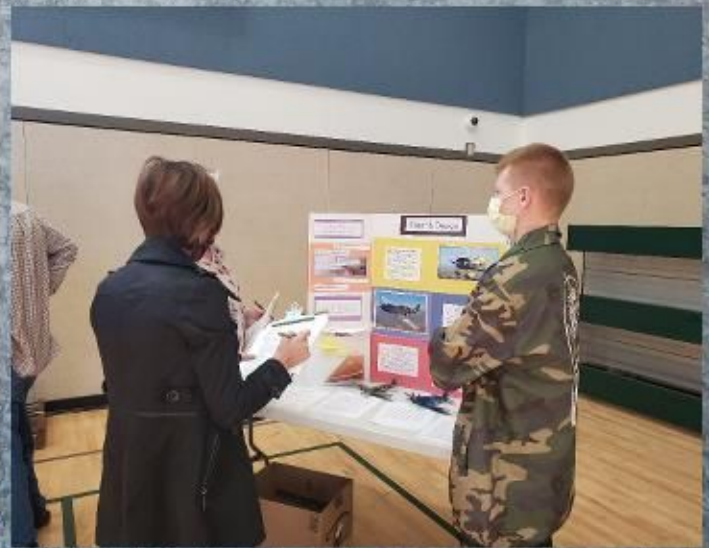

The Environmental Team arranged for students to get the chance to help be part of the school garden by creating stepping stones.

# SCIENCE FAIR/SHARE DAY

We had an amazing event that showed off many of our talents and skills at Mountain Oaks. Students displayed work they created, participated in a talent show, and demonstrated their knowledge through many well thought out science projects.

Great job to all our students who participated in the Science Fair this year. We are proud of all of your efforts. Congratulations to this year's winners:  
1st place: Brindi Gibson  
2nd place: Arabell Haughton  
3rd place: Aiden Samonek  
Arabelle Haughton, Aiden Samonek, and Emma Tennis also advanced to the Calaveras County wide Science Fair.

# Indian Grinding Rocks

We immersed ourselves in history at the Chaw'se Indian Grinding Rock. We got to hear from the parks interpreter about the area, then we got to walk through a once prominent MiWok Village and learn how Native Americans used to live. We ended the day hiking and identifying native plants.

We had a fabulous time celebrating the end of the school year. We played games, skipped our softball game due to heat, and spent a lot of time in the sprinklers.
